ANNOUNCEMENT

TO: Parents and Guardians

FROM: Dr. R. Stephens, Executive Director

DATE: May 5, 2021

RE: Next School Year (2021-2022)

We are thankful for the combined efforts and sacrifices of all parents and staff to **“Make a World of Difference”** in the face of the COVID-19 pandemic that has been ongoing since mid-March 2020. Governor DeWine has requested all schools to outline a plan to remediate students learning loss experienced due to the pandemic. It has been determined that an early start back to classes is the best course of action for our students. Thus, students will come back to in-person learning on **July 26, 2021**. Please make the appropriate adjustments in your summer planning for your students to be back in school on this date.
