

TIGER NEWS

Midnimo Cross Cultural Middle School

Upcoming Dates No School For Students

- Labor Day September 6th
- PD for Staff September 10th
- PD for Staff September 24th

Attendance Policy

School begins promptly at 7:45am. Our expectation is that every student comes to class prepared and ready to learn by 7:30am.

Coming to school late and being absent, counts against your child for their hours in school and you will become habitually truant.

Please call the school office for any absence or tardy.
614-261-7480

Drop off and Pick Up

Drop off from 7:00am - 7:30am
Pick Up 3:10pm

Please arrange other transportation if you will not make it to the school by dismissal time.

Enter the school parking lot on Loretta Ave and exit on Greenwich St. Please wait in your car for your student to come out.

Messages from Administration

Mr. Lloyd Knight, Principal

Family,

We have had an amazing start to the school year. Even though our students started school early, I am proud to say over 90% of our students have arrived on time everyday. Everyday our teachers are working hard to make sure that our students learn the material that is needed for our students to be prepared for career and college success.

A big part of being prepared for college is completing all assignments on time.. It is important that all students do all of their work all of the time. Students that don't do their work are at risk of being retained for the upcoming year. If you would like access to your student's gradebook or would like to meet with a teacher, please reach out to Ms. Cortez and we will set it up.

Mrs. Maria Cortez, Community Liaison/ Administrator

Hello MCC Familia,

It has been a pleasure getting to know you and your children, We are quickly approaching our Fall Immunization Deadline. It is important that all enrolled students have updated vaccine records. 7th graders are required to have a dose of MCV4 (meningococcal). Please schedule that appointment with your healthcare provider if you haven't done so yet. If you need assistance on where to receive this vaccine please call the office and we can help connect you with a Primary Care Physician.

PIZZA
PARTY

Emergency Medical Cards are being sent home. It's very important that the office has up to date information in case of an emergency. Please return this form to the school office. The first class to turn in 100% of their forms will be awarded with a pizza party!

Classroom Updates

Social Studies - Mr. Ivan

Hey everyone! We will be learning about the colonies in 8th grade this month, Ancient Greek history in 7th and about source types in 6th grade!" - Mr. Ivan, Social Studies

English Language Arts - Ms. Marrali and Mrs. Marrs

Hey students and families! We have been enjoying introducing and practicing close reading skills. Everyone has been doing such a great job learning about nouns, verbs, adjectives, and adverbs as well! We are definitely looking forward to diving deeper into citing textual evidence and making inferences over the next few weeks. It has truly been great getting to know everyone! We want to remind all of you to keep track of your grades and missing work using Progressbook. If you ever have any questions or concerns, don't hesitate to reach out to us:

6B, 7A, 7B- Ms. Marrali @ imarrali@edsolns.com

6A, 8A, 8B- Mrs. Marrs @ jmarrs@edsolns.com

Science - Mr. Bravo

In science we are currently making great progress! I appreciate all the hard work that everyone has been putting in. In 8th grade we are still talking about Forces and Motion, while in 6th we are talking about Earth's processes.

We will be wrapping up both units within the next 2-3 weeks!

Ms. O

7th grade math has finished up the 1st chapter of proportional relationships and moving to the 2nd chapter of integers. 6B math is finishing up ratios and moving to rates and percentages.

**Did you move or change your phone number?
Remember to always update your contact
information with the school office. Please fill
out the attached emergency medical sheet
and return to your child's school.**

Student Spotlight

Hamza Yusuf, 6th Grade

We are pleased to
congratulate Hamza Yusuf!
He is the first student to
know our motto and creed!
